Community Description

Emerald Island Resort is a popular gated community in the Orlando area. Perfect for families who want to be close to Disney and the popular highway 192, as well as those who want to use the resort as a base which provides easy access to the Florida attractions. The community boasts a large range of on-site amenities.

The impressive clubhouse boasts many facilities including a large communal pool with Jacuzzi and poolside tiki bar (subject to opening hours), sauna, steam room, cyber cafe, games arcade, snack bar, sundry shop and a children's adventure playground. There is also a volleyball court, fitness centre and jogging track.
